Bitter is the New Black: Confessions of a Condescending, Egomaniacal, Self-Centered Smartass, Or, Why You Should Never Carry A Prada Bag to the Unemployment Office By Jen Lancaster

Jen Lancaster was living the sweet life-until real life kicked her to the curb.

She had the perfect man, the perfect job-hell, she had the perfect life-and there was no reason to think it wouldn't last. Or maybe there was, but Jen Lancaster was too busy being manicured, pedicured, highlighted, and generally adored to notice.

This is the smart-mouthed, soul-searching story of a woman trying to figure out what happens next when she's gone from six figures to unemployment checks and she stops to reconsider some of the less-than-rosy attitudes and values she thought she'd never have to answer for when times were good.

Filled with caustic wit and unusual insight, it's a rollicking read as speedy and unpredictable as the trajectory of a burst balloon.
