Does Anybody Have a Problem with That?: The Best of Politically Incorrect
By Bill Maher

WITH BILL MAHER, ITS NEVER POLITICS AS USUAL!

Conservatives know what they want and they never forget it. Except for the time Reagan went to the Vietnam Memorial and shouted, Gorbachev, tear down this wall!

Heidi Fleiss and Dr. Kevorkian [are] two visionaries of American social life, the queen and king of coming and going.

The Packwood diaries must be pretty racy, because most of the people who read them apparently cannot wait to get to the bottom of the next page. Which, of course, was Packwoods problem, too.

"Politically Incorrect is almost single-handedly reviving political satire. . . . [It] has pulled off the rare trick of being irreverent without being irrelevant."
The New York Times

"A funny collection of jibes, jokes and tidbits from his hilarious late-night show."
Playboy

From the Trade Paperback edition.

Editorial Review

Amazon.com Review
Politically incorrect humor is nothing new. It seems most jokes from stand-up comedians through the years have poked fun at race, religion, gender or sex while the rest have intended to be downright offensive. (Remember Don Rickles?) But Bill Maher has refined his humor on the nuances and sometimes ridiculousness of all things "politically correct." Host of the talk show "Politically Incorrect," he unloads a collection of his gems for this book, such as: "Should we require a seven-day waiting period to have a child, and if so, would it be called the Brady Bunch bill?" One book you won't want to take to the Rainbow Coalition meeting.

From Library Journal
Comedy Central channel's premier talk show, Politically Incorrect, appears to have single-handedly revived political satire on television. Acerbic host Maher supplies an eclectic assortment of guests, who are goaded into quibbling, arguing, and shouting about everything from gays in the military to violence in the media. While the television show is a refreshing breath of topnotch satire, Maher's attempt to capture the essence of individual programs in this compilation of commentaries falls short of the mark. Maher has assembled some of the program's most memorable highlights, but outside the context of the programs, his tongue-in-cheek observations seem less interesting. Still, the book provides a useful record of individual programs, broadcast dates, and guests. That, coupled with the show's popularity, would make it a reasonable purchase for most libraries.?Joe J. Accardi, Northeastern Illinois Univ. Lib., Chicago

From Booklist
Bill Maher's *Politically Incorrect* program on the Comedy Channel has brought a fresh breeze of irreverence to the airwaves by firmly adopting "an attitude of disgust toward unthinking, dogmatic politics of every stripe." That attitude comes through consistently here, but the organization of the book is puzzling. In one-page segments devoted to one of the show's topics ("Impeach Clarence Thomas," "Clinton Should Sleep Around"), the text lists the guests who discussed the subject, offers a summary of Maher's "incorrect" position on it, and concludes with a quote or two, apparently from the transcripts. Some of this proves very funny ("It turns out that all those times Woody Allen talked about masturbating, he was actually having sex with his inner child"), but we never really have a sense of what happened on the show--what the guests said or who argued with whom. Either Maher should have just collected random funny bits or attempted to re-create the interplay on the actual shows. Still, there's plenty to laugh at here, and how could anybody have a problem with that? *Ilene Cooper*

Users Review

From reader reviews:

Frank Bullard:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book Does Anybody Have a Problem with That?:

The Best of Politically Incorrect. All type of book would you see on many resources. You can look for the internet solutions or other social media.

Kevin Roark:
