Editorial Review

From the Back Cover
This book is the result of a unique dialogue between researchers deeply engaged in the development of international relations theory and those involved in more concrete interpretation of the development and enlargement of the European Union. It reflects on the relationship between international relations and political theory, linking this to the study of European integration.

International Relations Theory and the Politics of European Integration focuses on the concepts of community, power and security, and their role in the European Union. It features contributions from highly respected international scholars, who consider subjects such as:
-- sovereignty and European integration
-- the EU and the politics of migration
-- the internationalization of military security
-- the EU as a security actor
-- money, finance and power
-- the quest for legitimacy with regard to EU enlargement

This thought-provoking volume argues that the evolution of the European Union forces a reconsideration of many of our basic understandings of the foundations and structure of political life as a whole. It is of particular value to students and scholars of Politics, International Relations and European Studies.

Users Review

From reader reviews:

Lindsey Gant:

What do you with regards to book? It is not important along? Or just adding material when you really need something to explain what your own problem? How about your extra time?
