Maryland, Business & Project Management for Contractors Home Improvement Commission Edition By NASCLA

This edition is designed to provide an overview of business management subjects for contractor examination candidates applying for a license from the Maryland Home Improvement Commission. It is also written to act as a reference guide for licensed general contractors. The guide is divided into two major sections. Part One deals with business and project management subjects relevant to all contractors. Part Two focuses on the unique general contracting requirements of Maryland. The Appendices at the end of the guide provide the full text of the statutes and rules that control the major activities of general contracting in Maryland as well as other relevant information.
