Editorial Review

Review
"Guaranteed to make your teeth chatter and your spinetingle." -- -- *School Library Journal*

About the Author

Alvin Schwartz is known for a body of work of more than two dozen books of folklore for young readers that explores everything from wordplay and humor to tales and legends of all kinds. His collections of scary stories—*Scary Stories to Tell in the Dark*, *More Scary Stories to Tell in the Dark*, *Scary Stories 3*, and two I Can Read books, *In a Dark, Dark Room and Other Scary Stories* and *Ghosts!*—are just one part of his matchless folklore collection.

Brett Helquist's celebrated art has graced books from the charming *Bedtime for Bear*, which he also wrote, to the *New York Times*–bestselling *A Series of Unfortunate Events* by Lemony Snicket to the glorious picture book adaptation of Charles Dickens's *A Christmas Carol*. He lives with his family in Brooklyn, New York.

From AudioFile
Whether recounting a spine-tingling tale or singing a ghoulish song or describing a morbid game to play in the dark with friends, master storyteller George S. Irving is obviously enjoying himself. Together with requisite eerie music, creaking sound effects and ghostly moans, Irving's insane laugh, hysterical scream and command of a wide range of voices make this haunting, humorous and most importantly scary. Irving uses dramatic pauses effectively in his mesmerizing baritone or his deep bass. Geared toward preteens, this excellent mixture of stories showcases Irving's finesse both as a living being and . . . as a dead one. J.H.B. (c)AudioFile, Portland, Maine
