Requiem for the Sun: A New Adventure in the Symphony of Ages By Elizabeth Haydon

It all began with the nationally bestselling Elizabeth Haydon's *Rhapsody Trilogy*. A fellowship of three had been forged, companions brought together by fate, driven by prophecy: Rhapsody, a Singer of great talent and beauty; Achmed, an assassin with unearthly talents; and Grunthor, a giant of jolly disposition and lethal skill with weapons. The three overcame great adversity in defeating the F'dor--an ancient evil being intent on destroying the world--their battle culminating in *Destiny*, a thundering crescendo of tragedy, love, and triumph of the human spirit over world-shattering cataclysm.

Now comes...

Requiem for the Sun, Sequel to the *USA Today* bestselling *Rhapsody Trilogy*

It has been three years since their devastating battle, and peace has settled across their land. But to the south an empire lies ready to crumble. When the Dowager Empress dies, along with her successor, a great war breaks out, threatening to overwhelm the known world.

And an old nemesis of Rhapsody's--presumed dead for centuries--resurfaces, forcing her to choose between facing his depravity or sacrificing her own life . . . and that of her unborn child.

Editorial Review

Amazon.com Review
Requiem for the Sun is the standalone sequel to the *USA Today*-bestselling Rhapsody trilogy (*Rhapsody* , *Prophecy* , and *Destiny*). This novel will please fans of Elizabeth Haydon's high-fantasy series, but it may confuse newcomers because numerous characters from the trilogy return, and most are introduced in the book's early pages.

In the peace following the events of the trilogy, the singer Rhapsody believes she and her husband, the part-dragon Lord Cymrian, can at last start a family. Meanwhile, the assassin-king Achmed seeks to rebuild Canrif, his mountain capital. Then Lord Cymrian rejects Rhapsody's heart's desire; the giant Sergeant-Major Grunthor hears the earth itself screaming; the Dowager Empress of Sorbold, a realm of deep magic, dies under suspicious circumstances; and a powerful unknown enemy, as ancient and youthful as Rhapsody, seeks stealthily to steal her for himself. --*Cynthia Ward*

From Publishers Weekly
There's something utterly refreshing about a fantasy hero and heroine, half-human masters of the elements and rulers of a continent, whose private names for each other are Sam and Emily. With bright and tender touches like these, Haydon breathes new life into fantasy cliches in this sequel to her bestselling Rhapsody trilogy. The fierce, compassionate and exquisitely gorgeous Rhapsody and her draconian husband, Ashe along with their longtime companions, Achmed, King of the Firbolg, and the ferocious but kindhearted Sergeant-Major Grunthor once more take on an evil F'dor demon and its human host, a man Rhapsody believed long dead. The author has smoothed out many of the rough edges evident in Rhapsody (1999), Prophecy (2000) and Destiny (2001), toning down the most overt references to the series' roots in Welsh mythology and Regency bodice-rippers. At the same time, the stated history and dropped hints, as well as style and tone, remain consistent with earlier volumes. Unfortunately, the characters change little or not at all throughout the course of the story, but the rich complexities of historical subtext, unsubtle scheming of religious and political leaders and classical romantic elements are enough to keep the pages turning. Although quite readable as a stand-alone work, the many loose threads left untied promise numerous future volumes, which are certain to be devoured by Haydon's growing legions of fans.

From Library Journal
Three years after she has helped bring peace and prosperity to the land of Navarne, Rhapsody, Lady Cymrian treasures her family and her people. When the death of the Dowager Empress at Sorbold leaves empty the line of succession, war threatens the fragile Cymrian Alliance-and an old and deadly foe of Rhapsody's rises up to threaten her and all she holds dear. This sequel to the "Rhapsody" trilogy (Rhapsody: Child of Blood; Prophecy: Child of Earth; Destiny: Child of the Sky) continues a tale of love and treachery that spans centuries and worlds. Vivid characters and a richly defined world borrowed from Norse and Celtic legends make this continuing fantasy saga a good choice for most libraries.

Users Review

From reader reviews:

Steven Whitney:

Book is to be different for every grade. Book for children until adult are different content. As you may know that book is very important normally. The book Requiem for the Sun: A New Adventure in the Symphony of Ages ended up being making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The e-book Requiem for the Sun: A New Adventure in the Symphony of Ages is not only giving you far more new information but also to be your friend when you sense bored. You can spend your own personal spend time to read your reserve. Try to make relationship with the book Requiem for the Sun: A New Adventure in the Symphony of Ages. You never sense lose out for everything in the event you read some books.

Ross Adams:

As people who live in often the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which is always change and move ahead. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to a person is you don't know what type you should start with. This Requiem for the Sun: A New Adventure in the Symphony of Ages is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Jose Pina:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want sense happy read one having theme for entertaining such as comic or novel. Often the Requiem for the Sun: A New Adventure in the Symphony of Ages is kind of e-book which is giving the reader capricious experience.

Cheree Rodriquez:

Reading a reserve can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new details. When you read a reserve you will get new information since book is one of various ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you studying a book especially hype book the author will bring you to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other people. When you read this Requiem for the Sun: A New Adventure in the Symphony of Ages, you could tells your family, friends along with soon about yours guide. Your knowledge can inspire the mediocre, make them reading a e-book.
