Sapphire Blue (Ruby Red Trilogy Book 2) By Kerstin Gier

Gwen's life has been a rollercoaster since she discovered she was the Ruby, the final member of the secret time-traveling Circle of Twelve. In between searching through history for the other time-travelers and asking for a bit of their blood (gross!), she's been trying to figure out what all the mysteries and prophecies surrounding the Circle really mean.

At least Gwen has plenty of help. Her best friend Lesley follows every lead diligently on the Internet. James the ghost teaches Gwen how to fit in at an eighteenth century party. And Xemerius, the gargoyle demon who has been following Gwen since he caught her kissing Gideon in a church, offers advice on *everything*. Oh, yes. And of course there is Gideon, the Diamond. One minute he's very warm indeed; the next he's freezing cold. Gwen's not sure what's going on there, but she's pretty much destined to find out.

Editorial Review

From School Library Journal
Gr 7-11-In this volume, Gwyneth Shepherd, 16, is trying to reconcile her role as the Ruby, the final member in the Circle of Twelve, a secret time-travel society, with being a normal London teen. Complicating matters are her feelings for handsome Gideon de Villiers, a fellow time traveler who gives Gwyneth mixed signals (he wavers between kissing her and ignoring her), and the secrecy surrounding the Circle, whose distrust of Gwyneth is both unfair and frustrating. And yet, through it all, Gwyneth is adaptable and engaging. As she makes secret trips through time to conspire with her much younger (and living) grandfather or asks a delightful gargoyle ghost to spy for her, Gwyneth uses her intuition and ingenuity to circumvent the Guardians, the controllers of time travel. After all, they're supposed to be looking out for her, but their intentions are murky at best. As Gideon points out to Gwyneth, their lives are dictated by their supernatural genes; they will never be free from the confines of their birth, forced to stay local, so as not to be in constant danger. Hilarious and delightful, this latest entry explores new mysteries and raises new questions-just don't expect any answers yet. A great recommendation for readers looking for adventure, romance, and historical trivia.-Kimberly Garnick Giarratano, Rockaway Township Public Library, NJα(c) Copyright 2011. Review

“A great recommendation for readers looking for adventure, romance, and historical trivia.” ?*School Library Journal*

“Gier succeeds on her own terms, keeping the reader moving along, forward and backward in time, and ending with a revelation and a cliffhanger. Both will leave readers anticipating the publication of the next installment, ‘Sapphire Blue.'” ?*The New York Times Book Review on Ruby Red*

“Humorous, romantic and suspenseful, the plot is fast-paced and impossible to put down. . . . The final romantic cliffhanger will leave you thirsty for the next book in this ‘jewel' of a series.” ?*Justine magazine on Ruby Red*

“What makes this such a standout is the intriguingly drawn cast, stars and supporting players both, beginning with Gwen, whose key feature is her utter normality. Adventure, humor, and mystery all have satisfying roles here.” ?*Booklist, starred review on Ruby Red*

“Gier's characters and plotting are first-rate, creating an adventure that should leave readers eager for the rest of the trilogy.” ?*Publishers Weekly on Ruby Red*

“Riveting.” ?*Kirkus Reviews on Ruby Red*

“The characters in Kerstin Gier's stellar story come fully to life, and veteran translator Anthea Bell (who translated Cornelia Funke's Inkheart books) preserves the book's abundant humor. . . . There's something here for everyone.” ?*Shelf Awareness on Ruby Red*
