**Strange and Ever After (Something Strange and Deadly Trilogy)** By Susan Dennard

Perfect for fans of Cassandra Clare's The Infernal Devices series, this is the explosive conclusion to Susan Dennard's trilogy, which started with *Something Strange and Deadly* and continued with *A Darkness Strange and Lovely*. With supernatural forces, epic romance, and a mysterious Egyptian city, Eleanor and her team are set for an adventure they will never forget.

It has been a tumultuous time for Eleanor Fitt since life as she knew it in Philadelphia came abruptly to an end. Although the Spirit-Hunters—Joseph, Jie, and Daniel—have helped her survive, Eleanor has lost just about everything.

And now, Jie is missing—taken by the evil necromancer Marcus. Eleanor is determined not only to get her back but to finally end this nightmare. To do so, she must navigate the hot desert streets of nineteenth-century Egypt amid the rising Dead, her unresolved feelings for Daniel, and her volatile relationships with Joseph and Oliver, her demon. And it won't be easy. Because Allison, her friend from Philadelphia, has tagged along, becoming strangely entangled in Eleanor's mission.

It will take all of Eleanor's powers of black magic, and all of Daniel's and Joseph's trust, to succeed. But there will be a price.

## Editorial Review

From School Library Journal
Gr 9 Up—This final installment concludes the gothic zombie tale set in 19th-century Paris. Eleanor Fitt and the three eclectic Demon Hunters were able to stop the rising tide of "les Morts," the reanimated dead who were overwhelming the city, by killing a demon named Madame Marineaus. However, their nemesis Marcus escaped in the process and kidnapped one of their own. Strange and Ever After chronicles the Demon Hunters' disaster-riddled pursuit of Marcus from Paris to Egypt. He always seems one step ahead of them as they all try to be the first to uncover the secret behind The Black Pullet, a legendary bird said to hold the secrets to immense power, endless wealth, and immortality. While some of the skirmishes with zombies do seem redundant, the hunt for the mystical bird and the rich Egyptian backdrop inject enough thrills to make this an exciting, quick read. The author adds dimension to and deepens the characterization of several of the protagonists while exploring the nature of the soul and the human capacity for change. Some readers may be disappointed by the unexpected twist in the romantic subplot, but overall, fans of the series will enjoy it immensely.—Sunnie Lovelace, Wallingford Public Library, CT

Review
“An emotionally honest, well-earned denouement brings this lively historical zombie trilogy to an honorable end.” (Kirkus)

Praise for SOMETHING STRANGE AND DEADLY (;)

“Debut author Dennard deftly weaves together a vast plot blending historical fiction, horror, romance, and mystery. A roaring-and addictive-gothic world.” (Publishers Weekly)

“A wonderfully brisk pace sweeps readers into an intriguing mystery. Eleanor serves as a highly entertaining guide and readers will find themselves settling in among the undead just fine.” (Bulletin of the Center for Children’s Books)

“Mystery, romance, humor, action, a sure-fire setting: Dennard delivers.” (Kirkus Reviews)

“From the first page, readers will be awakened to an 1876 Philadelphia replete with animated corpses, irresistible romance, and a game of intrigue. Those who enjoy Cassandra Clare’s the Infernal Devices series will be spellbound by Dennard’s macabre and impressive debut.” (Shelf Awareness)

“This debut novel is quite compelling and features a plot that moves at breakneck speed. The plot is full of action, betrayal, and romance.” (Voice of Youth Advocates (VOYA))

From the Back Cover

An ancient evil has risen over Egypt

It has been a tumultuous time for Eleanor Fitt since life as she knew it in Philadelphia came abruptly to an end. While the Spirit-Hunters—Joseph, Jie, and Daniel—have helped her survive her brother's violent death and an invasion of Hungry Dead, Eleanor has lost just about everything.

And now, Jie is missing—taken by the evil necromancer Marcus. Eleanor is determined not only to get her back but to end this nightmare altogether. But to do so, she must navigate the hot desert streets of nineteenth-century Egypt amid the rising Dead, her unresolved feelings for Daniel, and her volatile relationships with Joseph and Oliver, her demon. And it won't be easy. Because now Allison, her friend from Philadelphia, has tagged along, becoming strangely entangled in Eleanor's mission.

It will take all of Eleanor's powers of black magic, and all of Daniel's and Joseph's trust, to succeed. But there will be a price. And only when it is over will Eleanor truly be able to live a strange and ever after life.

In the conclusion to this epic trilogy, which began with something strange and deadly and continued with a darkness strange and lovely, Susan Dennard will have readers on the edges of their seats, breathless with anticipation, and begging for this story *not* to end.

## Users Review

**From reader reviews:**

**Mandy Conway:**

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information.
