The Book of Psalms: Composition and Reception (Supplements to Vetus Testamentum) From Brill Academic Publishers

Written by leading experts in the field as well as some younger scholars, The Book of Psalms: Composition and Reception offers a wide-ranging treatment of the main aspects of Psalms study. The almost 30 essays consist of two overall sections. The first section contains studies of a more general nature; commentary on or interpretation of specific Psalms; social setting; and the Psalter as book. The second section contains essays on the literary context of the Psalter (including Qumran texts); textual history and reception in Judaism and Christianity; and the theology of the Psalter. The volume ends with a cumulative bibliography and several useful indices.

Editorial Review

Review
'" a substantial volume not only in terms of is sheer size (almost 700 pages), but also in terms of the incredible breath and diversity of its content. [..] this volume is a truly valuable contribution to the study of the book of Psalms. As such, it is mandatory reading for psalm scholars and belongs in the holdings of all research libraries.'" Tyler F. Williams, "Journal of Hebrew Scriptures," 2006."
