What Every Teacher Should Know About Developing and Presenting a Professional Portfolio in Early Childhood Education (2nd Edition) By Nancy W. Wiltz, Ocie Watson-Thompson, Hannah S. Cawley, Heather A. Skelley

It demonstrates how to collect items for a professional Early Childhood Education portfolio and how to create/compile them in a professional manner in a binder for presentation upon graduation to obtain employment. As portfolios are sometimes started in Intro to ECE and compiled throughout the program, or introduced in a Curriculum course, or in a Student Teaching or capstone course, there are several points of entry for this supplement. Wiltz instructs the student what items to collect for the portfolio, how to compile/construct/label it, and then how to talk about it/present it.
