Whatever You Want: We Write, You Decide: A Pick-Your-Own-Ending Escapade By Rachel Timms, Laurence Hayes

Welcome to the world of Whatever You Want, a novel that turns twentysomething London into a fantasyland of endless possibilities. Play the game as Barbarella -- alluring, flirtatious, and sharp as the lash from a bondage whip -- or as Barnaby, with his insatiable attraction to beautiful women and danger. Armed only with your quick wits and social expertise to navigate through the minefields of drunken gratification, easy conquests, and ruthless adversaries, you hold the fates of these vulnerable heroes in your hands.

Should you dare to risk it all at an illicit casino or charm your way around a country estate where things could get up-close-and-very-personal? Will you fight to win back your lost loves or choose instead to have the time of your life getting over them? And when you've had all the fun you possibly can, do you have what it takes to make it to The Perfect Ending? Getting what you want takes more than a little agile thinking and social cunning ... Because life was never meant to be a spectator sport.
