Birthright By Nora Roberts

From beloved author Nora Roberts comes the #1 *New York Times* bestseller about shattering loss and shocking discovery—set in a small town nestled in the Blue Ridge Mountains…

When five-thousand-year-old human bones are found at a construction site in the small town of Woodsboro, the news draws archaeologist Callie Dunbrook out of her sabbatical and into a whirlwind of adventure, danger, and romance.

While overseeing the dig, she must try to make sense of a cloud of death and misfortune that hangs over the project—fueling rumors that the site is cursed. She must cope with the presence of her irritating—but irresistible—ex-husband, Jake. And when a stranger claims to know a secret about her privileged Boston childhood, she must question her own past as well...

Editorial Review

From Publishers Weekly
Set in and around rural Woodsboro, Md., a small town drawn with affection and familiarity, Roberts's latest is the literary equivalent of a big delicious meal whipped up by a talented home cook. She offers a dash of exoticism and innovation-a Neanderthal settlement is discovered on the site of an unwanted housing development, prompting gorgeous young archeologist Callie Dunbrook to race to Woodsboro to take charge of what promises to be the dig of her career. After dollops of detail about archeological work, Roberts dishes up huge servings of comfort food, and it is all the more satisfying for being so straightforward. When the owner of the Antietam Creek development turns up murdered on the site, Callie is thrown into closer contact than she'd like with her ex-husband, who also happens to be the anthropologist sharing responsibility for the dig. Jacob Greystone is a hunk-"long bones, long muscles, all covered in bronzed skin...." Meanwhile, Suzanne Cullen, the hugely successful proprietor of a Mrs. Field's-like baked-goods business, tracks down the archeologist after seeing her on the evening news. Callie, the woman claims, is the baby daughter who was snatched from her stroller when she was just a few months old. Callie hires a beautiful young lawyer, Lana Campbell, who happens to be involved with Doug Cullen, Callie's long-lost brother. Another murder, arson and attempted murder heat up the chase until all the young lovers are drawn in. As in other delectable entertainments by Roberts, it is not the wild denouement but the pursuit itself-studded with scrumptious romantic encounters-that is the real dessert.

From Library Journal
Archaeologist Callie Dunbrook is excited to be overseeing a new dig, but with the site rumored to be cursed, her ex-husband hanging around, and a stranger suggesting that he knows all about her past, things aren't altogether rosy. Despite the pub date, the book will surface in late March.

From Booklist
The discovery of 5,000-year-old bones in a development site in Maryland lures archaeologist Callie Dunbrook away from her sabbatical to head up the excavation team, but once she finds out the team's head anthropologist is her ex-husband, Jacob "Jake" Graystone, Callie is ready to quit. The project already faces difficulties with local residents, who are split between those who favor continuing with the development and those who want to preserve the area as a historic site. When a local TV news station interviews Callie about the project, it brings Suzanne Cullen to her doorstep claiming that Callie is her long-lost daughter, Jessica, who was kidnapped from a shopping mall 29 years ago. No trace of her daughter was ever found, but Suzanne never gave up hope that one day Jessica would return. Convinced that Callie is really her child, Suzanne forces Callie to look into her own past, but the answers Callie finds not only surprise her but also attract the interest of someone who does not want anyone digging into the past. With its compelling, realistically flawed hero and heroine, whose clever banter is spiced with just the right amount of acerbic wit, and a sleek plot that unwinds to a wonderfully satisfactory conclusion, RITA award-winning, *New York Times* best-selling Roberts' latest combination of romance and suspense is pure reading magic. *John Charles*

Users Review

From reader reviews:

Sherry Spears:

As people who live in typically the modest era should be upgrade about what going on or info even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what one you should start with. This Birthright is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Daniel Smith:

Do you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't assess book by its protect may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside look likes. Maybe you answer is usually Birthright why because the amazing cover that make you consider about the content will not disappoint an individual. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Aaron Martinez:

That publication can make you to feel relax. This book Birthright was colorful and of course has pictures on there. As we know that book Birthright has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. Therefore , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading that.

Nicholas Riley:

A lot of people said that they feel uninterested when they reading a publication. They are directly felt it when they get a half regions of the book. You can choose the particular book Birthright to make your reading is interesting. Your skill of reading proficiency is developing when you just like reading. Try to choose straightforward book to make you enjoy to read it and mingle the impression about book and examining especially. It is to be 1st opinion for you to like to open a book and learn it. Beside that the e-book Birthright can to be your new friend when you're truly feel alone and confuse using what must you're doing of this time.
