No Dawn without Darkness: No Safety In Numbers: Book 3 By Dayna Lorentz

Perfect for fans of *Life As We Knew It* and Michael Grant's *Gone*--the conclusion to the thrilling No Safety in Numbers trilogy

First--a bomb released a deadly flu virus and the entire mall was quarantined.

Next--the medical teams evacuated and the windows were boarded up just before the virus mutated.

Now--the power is out and the mall is thrown into darkness. Shay, Marco, Lexi, Ryan, and Ginger aren't the same people they were two weeks ago. Just like the virus, they've had to change in order to survive. And not all for the better. When no one can see your face, you can be anyone you want to be, and, when the doors finally open, they may not like what they've become.

If you think it's silly to be afraid of the dark, you're wrong.
Very wrong.

Editorial Review

From School Library Journal
Gr 9 Up—Only two weeks have passed since a deadly virus was released at a suburban mall and thousands were quarantined, including four teens—Marco, Lexi, Ryan, and Ginger. The medical teams have evacuated, the virus has mutated, and complete darkness has now descended because the power has gone out. In order to survive, the teens must make the ultimate sacrifices. A chilling conclusion to a gripping trilogy.

From Booklist
The trilogy kicked off by No Safety in Numbers (2012) comes to an end with this effectively blunt last volume. After two weeks of bloodcurdling quarantine, the lights are off at the Shops at Stonecliff mall, leaving our five protagonists to feel their way through the body-strewn darkness to resolve their rivalries. Most important, Shay has a cure to the virus—but who in this war-torn world is left to use it? Readers who begin here will be lost, and even fans might find this wandering finale a bit overpopulated. Still, self-anointed king Marco remains a fantastic, complex character, and the extended denouement is rather poignant. Grades 9-12. --Daniel Kraus

Review
"Realistic in its portrayal of the lasting effects of the ordeal for the survivors....The horrific actions undertaken by many of those trapped in the name of survival are disturbing but not gratuitous, and the question of morality at play in many of the characters' decisions is fascinating...a thoughtful and broad-reaching ending to a tale of surviving dire circumstances." — **Kirkus Reviews**

"Self-anointed king Marco remains a fantastic, complex character, and the extended denouement is rather poignant." — **Booklist**

"A chilling conclusion to a gripping trilogy." — **School Library Journal**
