Editorial Review

Amazon.com Review

What would happen if you decided not to believe *anything* without having a good reason for it? Review `[The Very Short Introduction to Philosophy] shows that philosophy really can be fascinating, broad-minded and full of surprise. As a means of stimulating interest in the subject it has few rivals.' Julian Baggini, The Philosopher's Magazine About the Author

Edward Craig is Knightsbridge Professor of Philosophy at Cambridge University, where he is also a Fellow of Churchill College. He has held visiting appointments at the Universities of Hamburg and Heidelberg, and the University of Melbourne. His publications include *The Mind of God and the Works of Man* (OUP, 1987), *Knowledge and the State of Nature* (OUP, 1990), and he is general editor of the *Routledge Encyclopedia of Philosophy*.
