**The Complete Introduction to The Devout Life (Paraclete Giants)** By Francis de Sales

De Sales' classic has been described as "a masterpiece of psychology, practical morality, and common sense" and, after The Bible and *The Imitation of* Christ, is the widest read spiritual book of all time. Unlike many others, *Devout Life* was written specifically for lay persons and it demonstrates a rare sensitivity to the demands of life in a world that is often antagonistic to spirituality. In this first-of-its-kind edition, Fr. John-Julian offers a fresh translation, a most thorough historical introduction, and notes explaining points of language and theology along the way.
