The Secret Life of the Dyslexic Child: How She thinks. How He Feels. How They Can Succeed. By Robert Frank, Kathryn E. Livingston

A paperback edition of the widely praised book that gives parents *for the first time* ever a true understanding of what their child with a learning disorder is thinking and feeling.

Winner of the 2002 Margot Marek Annual Book Award for the most outstanding book written for parents or children on the subject of dyslexia or related learning disabilities. (International Dyslexia Association- New York branch)

Dr. Robert Frank, whose own dyslexia didnít stop him from becoming an educator, psychologist, and award-winning author, takes the reader inside the emotions and frustrations of the dyslexic child to help parents coach their child to:
- Improve academic achievement
- Get support from friends and family
- Establish solid work and study habits
- Focus on abilities and strengths
- Set and meet personal goals

Above all, Dr. Frank tells parents the simple steps they can take to help their child build self-esteem and confidence and create a life of success.

Editorial Review

Review

"A clear, comprehensive guide that will help parents handle not only the practical challenges of raising a child with dyslexia, but also the complex emotions that can often stand in the way of successful learning." --Sally Lee, editor-in-chief, *Parents* magazine

"An invaluable, compassionate, yet realistic guidebook to the foreign land that is dyslexia. . . After reading this book, you feel ready to let go of stereotypes and embrace solutions." --Kyle D. Pruett, M.D., clinical professor at Yale Child Study Center and Medical School

About the Author

Robert Frank, Ph.D., is an educational psychologist, family therapist, and assistant professor of psychology at Oakton Community College in Des Plaines, Illinois.

Users Review

From reader reviews:

Frances Norman:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside former life are hard to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take The Secret Life of the Dyslexic Child: How She thinks. How He Feels. How They Can Succeed. as the daily resource information.
