From the Back Cover

Identical twins Cassie and Caitlyn Waters have finally adjusted to life in the small town of Aura, Texas, but they’re still not used to seeing visions of the future. And their Sight is only getting stronger as their twelfth birthday nears!

But even with this new gift, neither girl could have predicted what the mysterious package they received would contain—a connection to the father they know nothing about and the grandmother they never knew they had. Why hasn’t their mom told them anything about their dad? What reason could she have for keeping the girls away from his side of the family? And does it have anything to do with the Sight?

As the twins struggle to discover more about their own history, they distract themselves by planning their birthday party. Their visions of the big event promise a lot of fun ahead—along with a big fiasco. Cassie and Caitlyn must work together to keep everything running smoothly so their birthday can stay on track!
