Aunt Dimity: Vampire Hunter By Nancy Atherton

The original paranormal detective returns in the latest installment of a beloved mystery series

Lori Shepherd's life in England couldn't be more tranquil or more satisfying—except for one thing. Her five- year-old twins have started school, and Lori fears they'll catch everything from the flu to fleas. What they do come home with, however, is worse: a report of a pale, cloaked figure with bloodstained lips lurking in the woods.

Lori is skeptical at first but soon grows concerned enough to consult with her late (but not entirely departed) Aunt Dimity and her dear friend Kit Smith. The vampire-hunting trail leads to Leo, a charismatic vagabond who just returned to England after a self-imposed exile, a bitter old crone named Lizzie Black, and finally to Aldercot Hall, where a mysterious murder took place forty years ago. With Kit and Aunt Dimity's help, Lori uncovers the secret that will shock everyone—including herself—about the true identity of the twins' vampire.

With its placid English countryside setting, eccentric characters, and lighthearted charm, Atherton's newest novel will enchant cozy mystery aficionados and the many loyal readers of the Aunt Dimity series.

Editorial Review

From Publishers Weekly
Near the start of Atherton's engaging 13th Aunt Dimity mystery (after 2007's *Aunt Dimity Goes West*), series heroine Lori Shepherd, the overprotective mother of five-year-old horse-obsessed twins, is alarmed when her sons insist they saw a vampire during their riding lessons. From her strange friendship with the spectral Aunt Dimity, Lori knows anything's possible, even vampires, though Lori fears a pedophile may be skulking in the woods outside the Cotswolds village where she and her family live. In search of answers, Lori cozies up to her odd, reclusive neighbors and immerses herself in local history. Lori's stable master friend, Kit Smith, lends his support. Though the vampire's identity borders on the implausible, most readers will have had too much fun to mind. *(Feb.)*
