Brandeis Modern Hebrew By Vardit Ringvald, Bonit Porath, Yaron Peleg, Esther Shorr, Sara Hascal

Written by the core faculty of the Hebrew Program at Brandeis University, Brandeis Modern Hebrew is an accessible introduction to the Hebrew language for American undergraduates and high school students. Its functional and contextual elements are designed to bring students from the beginner level to the intermediate level, and to familiarize them with those linguistic aspects that will prepare them to function in advanced stages. This volume reflects some of the main principles that have shaped the Brandeis Hebrew curriculum during the past decade. These include: *an emphasis on the learner's ability to use the target language in all four skills areas: speaking, listening, reading, and writing *an effort to contextualize each unit within a specific subject or theme *exposing the student to authentic and semi-authentic materials (texts written by native speakers) *exploring different elements from Israeli and Jewish culture in the language drills, reading passages, and in selections of sources from the Hebrew literary canon The text in this edition comprises a short introduction to the instructor, 11 units, supplementary Hebrew proficiency guidelines, and a vocabulary list. Included is a CD that contains audio material for some of the exercises and an enrichment program linked to the text.

Review
“Brandeis Modern Hebrew maximizes the students’ ability to advance quickly and to become proficient in all four language skills. It provides a strong grammatical foundation and creatively contextualizes the Hebrew language in Jewish and Israeli culture and literary traditions. It is bound to become the standard textbook for Hebrew language study on American college and university campuses.” (Esther Robbins, Princeton University)|“Brandeis Modern Hebrew offers a fresh perspective on learning Hebrew in a university setting. The exercises promote speaking and the vocabulary is useful in real-life situations. This is the first Hebrew textbook that enables the teacher to integrate fully the communicative approach in the classroom. Following ACTFL guidelines, Brandeis Modern Hebrew meets Stanford University’s first year language standards.” (Vered Shemtov, Stanford University)|“Brandeis Modern Hebrew is a pleasure to teach with. This innovative program incorporates the study of Modern Hebrew with Israeli culture and history. The graphics add to student interest and understanding. I am very satisfied with the progress my students are making with this textbook and its CD.” (Ellen C. Rothfeld, Michigan State University)
