Editorial Review

From Publishers Weekly
The evocative title tells it all and hints at the tone of sensationalism that pervades this book. Those familiar with the earlier work of Ehrman, a distinguished professor of religious studies at the University of North Carolina, Chapel Hill, and author of more than 20 books including Misquoting Jesus, will not be surprised at the content of this one. Written in a manner accessible to nonspecialists, Ehrman argues that many books of the New Testament are not simply written by people other than the ones to whom they are attributed, but that they are deliberate forgeries. The word itself connotes scandal and crime, and it appears on nearly every page. Indeed, this book takes on an idea widely accepted by biblical scholars: that writing in someone else's name was common practice and perfectly okay in ancient times. Ehrman argues that it was not even then considered acceptable—hence, a forgery. While many readers may wish for more evidence of the charge, Ehrman's introduction to the arguments and debates among different religious communities during the first few centuries and among the early Christians themselves, though not the book's main point, is especially valuable. The Untold Story of Forgery in the Bible

In *Forged*, leading Bible authority Bart D. Ehrman exposes one of the most unsettling ironies of the early Christian tradition: the use of deception to establish the truth. With the scholarly expertise and provocative claims for which he's known, Ehrman reveals which texts were forged in the name of Jesus's disciples and considers how the deceptions of an unnamed few have prevailed for centuries. The untold story of widespread forgery in the ancient world sheds new light on how documents of scandalous origin became part of the Bible we have today.

About the Author

Bart D. Ehrman is one of the most renowned and controversial Bible scholars in the world today. He is the James A. Gray Distinguished Professor of Religious Studies at the University of North Carolina, Chapel Hill, and is the author of more than twenty books, including the *New York Times* bestsellers *How Jesus Became God; Misquoting Jesus; God’s Problem; Jesus, Interrupted*; and *Forged*.
