Editorial Review

From Publishers Weekly
In 10 tales of personal transformation related by the psychotherapist author, each patient makes some headway in overcoming compulsions, depression, hypertension or whatever--yet each also comes face fo face with larger problems such as the inevitability of death or the existential need to give one's life meaning. "Yalom's humanism shines through in these wise, moving stories," commended PW.

Users Review

From reader reviews:

Janelle Smith:

In this 21st millennium, people become competitive in each way. By being competitive at this point, people have do something to make them survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated this for a while is reading. Yep, by reading a publication your ability to survive enhance then having chance to stand than other is high. For yourself who want to start reading a new book, we give you this kind of Love's Executioner, and Other Tales of Psychotherapy book as beginner and daily reading guide. Why, because this book is more than just a book.

Timothy Bennington:

Your reading 6th sense will not betray you actually, why because this Love's Executioner, and Other Tales of Psychotherapy reserve written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and composing skill only for eliminate your hunger then you still hesitation Love's Executioner, and Other Tales of Psychotherapy as good book but not only by the cover but also by content. This is one reserve that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Ralph Humphries:

Are you kind of active person, only have 10 or 15 minute in your day to upgrading your mind talent or

thinking skill even analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short period of time to read it because this all time you only find publication that need more time to be study. Love's Executioner, and Other Tales of Psychotherapy can be your answer since it can be read by a person who have those short free time problems.

Elaine Jenkins:

Reading a book to be new life style in this 12 months; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and also soon. The Love's Executioner, and Other Tales of Psychotherapy will give you a new experience in reading through a book.
