Shadows of Pearl (The Pearl Series) (Volume 2) By Arianne Richmonde

I am a fan of the 50 Shades of Grey series and the Bared to You series. As I liked both this one was a surprise and I loved it. I thought this was better than both of them put together. I found a new author who can't write fast enough. Arianne Richmonde is a new fave for me.

#2 in The Pearl Series.

Pearl Robinson feels like the luckiest woman in the world. In just a couple of months she is to be married to the man she's head over heels in love with: the wonderful and charismatic Alexandre Chevalier, fifteen years her junior and founder of the billion dollar social media sensation, HookedUp.

She is planning a white winter wedding in Lapland - the stuff that dreams are made of. Everything is perfect, not least her haute couture wedding gown designed especially for her.

But Pearl is convinced that Alexandre's sister and business partner, Sophie Dumas, has other, darker ideas.

And the shadows of Pearl's past come back to haunt her in ways she could never have imagined...

Erotic Romance - full-length novel. ***Sexy strong language and erotic content.*** Book 3, 4 and 5 are out on both paperback and kindle.

Editorial Review

Review
'I'm mad, I'm sad, I've been crying, I want to hit some characters in the book...well more than one person actually!

This book was an AMAZING read for me. It started off where Shades of Pearl left off. The book grabbed me right from the start and I did not want to put it down. I personally love Arianne Richmonde's writing style. I think she did an excellent job with these characters and the story line was VERY original. I know without a doubt, that book 3 is a MUST READ for me! '
---Swept Away By Romance

' Just like everyone perviously said, you HAVE to read the first book before this one! This book gets you right away, so you may not want to have anything planned before you begin! This book is just so good. It does have the twist that everyone talks about! It is one that ripped me apart!! I can not wait for the next book! So worth you time and money!'
---C.Hard

Let me say that Shadows of Pearl made for a FREAKING awesome story filled with so much drama...oh, how I loved the drama. It was a big page turner for me and when things got crazy oh how I got sucked in!
---Momma's Books Blog

The author made me feel like part of the book - I was hooked from the beginning of this one. It had twists & turns which you don't normally expect from an erotic fiction novel. Highly recommended. Buy the whole series, you won't be sorry. 5/5
---Confessions of a Bookaholic

'I love this book and wish there was a 10 star rating. The author builds you up to THE MOST AMAZING CLIFF HANGER that I have ever read. This is not your typical 24 year old virgin story, 40 year old Pearl has real life experience, some good and some terrible.
The twists and turns that the author takes us on are out of this world, the places they visit, the conversations they have and the sex scenes, wholly cow!

This is a Must Read but make sure you have nothing else to do because you will not put down this book.
