The Choice By Nicholas Sparks

#1 New York Times bestseller Nicholas Sparks turns his unrivaled talents to a new tale about love found and lost, and the choices we hope we'll never have to make.

Travis Parker has everything a man could want: a good job, loyal friends, even a waterfront home in small-town North Carolina. In full pursuit of the good life - boating, swimming , and regular barbecues with his good-natured buddies -- he holds the vague conviction that a serious relationship with a woman would only cramp his style. That is, until Gabby Holland moves in next door.

Spanning the eventful years of young love, marriage and family, THE CHOICE ultimately confronts us with the most heartwrenching question of all: how far would you go to keep the hope of love alive?

Editorial Review

From Publishers Weekly
In his 13th book, bestselling Sparks (At First Sight, etc.) limns the far-reaching implications of several seemingly ordinary choices made by Beaufort, N.C. veterinarian Travis Parker and his next-door neighbor Gabrielle Holland, a physician's assistant and recent arrival. After an inauspicious first meeting where Gabby accuses Travis's boxer of impregnating her purebred collie, the two fall hard for each other. Already dating someone else seriously, Gabby is faced with a dilemma: whether to stick with longtime boyfriend Kevin, or get involved with Travis. The first part of the tale paints a vivid picture of her decision-making process and its effects on Travis and Gabby's lives. That sets up Part II, which takes place 11 years later when Travis faces a life and death decision following a car accident. A tender and moving love story and a quick read, Sparks's latest does not disappoint.

Review
Holter Graham gives a polished performance with his versatile skills and vocal range as he embraces the roles of Travis Parker, local veterinarian, and Gabby Holland, physician's assistant. In Part One, Graham captures the exquisite story of their attraction, love, and marriage with a warmth and rhythm that breathes life into the characters. Ten years later in Part Two, Graham portrays Travis's torment when Gabby falls into a coma after a car accident that is his fault. As Gabby fails to recover, Graham captures Travis's conflict over a decision he must make--a decision based on a promise Gabby extracted from him before her life took its tragic turn. A compelling story. G.D.W. © AudioFile 2008, Portland, Maine [Published: APR/ MAY 08]
