The Oxford Handbook of Medieval Christianity (Oxford Handbooks) From Oxford University Press

The Oxford Handbook of Medieval Christianity takes as its subject the beliefs, practices, and institutions of the Christian Church between 400 and 1500AD. It addresses topics ranging from early medieval monasticism to late medieval mysticism, from the material wealth of the Church to the spiritual exercises through which certain believers might attempt to improve their souls. Each chapter tells a story, but seeks also to ask how and why 'Christianity' took particular forms at particular moments in history, paying attention to both the spiritual and otherwordly aspects of religion, and the material and political contexts in which they were often embedded.

This *Handbook* is a landmark academic collection that presents cutting-edge interpretive perspectives on medieval religion for a wide academic audience, drawing together thirty key scholars in the field from the United States, the UK, and Europe. Notably, the *Handbook* is arranged thematically, and focusses on an analytical, rather than narrative, approach, seeking to demonstrate the variety, change, and complexity of religion throughout this long period, and the numerous different ways in which modern scholarship can approach it. While providing a very wide-ranging view of the subject, it also offers an important agenda for further study in the field.

Editorial Review

Review

"Handbooks are not normally thought to be stimulating works of scholarship, but this one surely is... It should be on the shelf of every historian of medieval Christianity." -- *Church History and Religious Culture*

About the Author

John H. Arnold studied at the Centre for Medieval Studies, University of York, and worked first at UEA and then at Birkbeck, University of London. He became Professor of Medieval History at Birkbeck in 2007. He is author of various books and articles on medieval history, and has published also on modern historiography and the history of gender.

Users Review

From reader reviews:

Lester Jaworski:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each reserve has different aim as well as goal; it means that guide has different type. Some people sense enjoy to spend their the perfect time to read a book. They may be reading whatever they consider because their hobby is actually reading a book. Think about the person who don't like looking at a book? Sometime, particular person feel need book if they found difficult problem as well as exercise. Well, probably you should have this The Oxford Handbook of Medieval Christianity (Oxford Handbooks).

William Ullrich:

Here thing why that The Oxford Handbook of Medieval Christianity (Oxford Handbooks) are different and reliable to be yours.
