International Law By The Late Antonio Cassese

This new edition of Cassese's International Law provides a stimulating and authoritative account of international law for undergraduates and postgraduates. It has been fully revised and updated to include all recent developments in the subject, and contains a new chapter on terrorism as well as extensive revision of the section on state responsibility. Providing a comprehensive commentary on international law as a whole, it compares the traditional legal position with the developing and evolving law in a way that is sensitive to political and economic considerations, as well as including detailed yet accessible examinations of state responsibility and international criminal law. The late Professor Cassese was a leading figure in the field, and this new edition takes full advantage of his extensive experience to provide a more personal approach to the subject than is typically found in the standard textbook, acting as good intellectual exercise for the stronger student.

The late Antonio Cassese was the Editor of the Journal of International Criminal Justice. To read sample articles from the journal visit: www.jicj.oupjournals.org

The Late **Antonio Cassese** is the former Professor of International Law at the University of Florence; former President of the Council of Europe Committee for the Prevention of Torture; former Judge and President of the International Criminal Tribunal for the former Yugoslavia; Chairman of the UN International Commission of Enquiry into Violations of Human Rights and Humanitarian Law in Darfur; and member of the Institut de Droit International.

Users Review

From reader reviews:

Valerie Israel:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book International Law. All type of book would you see on many options. You can look for the internet options or other social media.

Jennifer Perez:

The book untitled International Law contain a lot of information on it. The writer explains the girl idea with easy approach. The language is very straightforward all the people, so do definitely not worry, you can easy to read the idea. The book was written by famous author. The author brings you in the new time of literary works. You can easily read this book because you can please read on your smart phone, or program, so you can read the book throughout anywhere and anytime. In a situation you wish to purchase the e-book, you can open their official web-site in addition to order it. Have a nice learn.

Robert Younger:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This International Law can be the respond to, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Ashley Johnson:

With this era which is the greater individual or who has ability in doing something more are more important

than other. Do you want to become among it? It is just simple way to have that. What you must do is just spending your time almost no but quite enough to experience a look at some books. One of the books in the top checklist in your reading list is actually International Law. This book which is qualified as The Hungry Hills can get you closer in becoming precious person. By looking upwards and review this guide you can get many advantages.
