John Dies at the End By David Wong

David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying.-- **Joe Garden**, **Features Editor, The Onion**
"Wong is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement."
--**Don Coscarelli**, **director, *Phantasm I-V, Bubba Ho-tep***

"That rarest of things--a genuinely scary story."--**David Wellington**, **author of *Monster Island, Vampire Zero***

"JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read."--**Jacob Kier, Publisher, Permuted Press**

STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. **My name is David Wong.** My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about **the sauce**, about **Korrok**, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under **the eye**. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me.

The important thing is this: The drug is called **Soy Sauce** and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very **dark epoch** the world is about to enter as a result, it is crucial you keep one thing in mind: ***None of this was my fault.***

Editorial Review

From Publishers Weekly
In this reissue of an Internet phenomenon originally slapped between two covers in 2007 by indie Permutus Press, Wong—Cracked.com editor Jason Pargin's alter ego—adroitly spoofs the horror genre while simultaneously offering up a genuinely horrifying story. The terror is rooted in a substance known as soy sauce, a paranormal psychoactive that opens video store clerk Wong's—and his penis-obsessed friend John's—minds to higher levels of consciousness. Or is it just hell seeping into the unnamed Midwestern town where Wong and the others live? Meat monsters, wig-wearing scorpion aberrations and wingless white flies that burrow into human skin threaten to kill Wong and his crew before infesting the rest of the world. A multidimensional plot unfolds as the unlikely heroes drink lots of beer and battle the paradoxes of time and space, as well as the clichés of first-person-shooter video games and fantasy gore films. Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next. *(Oct.)*

Review

Praise for *John Dies at the End*:

"*John Dies at the End*...[is] a case of the author trying to depict actual, soul-sucking lunacy, and succeeding with flying colors." -*Fangoria*

"David Wong is like a mash-up of Douglas Adams and Stephen King . . . 'page-turner' is an understatement." --Don Coscarelli, director, *Phantasm I-V* and *Bubba Ho-tep*

"David Wong has managed to write that rarest of things---a genuinely scary story." --David Wellington, author of *Monster Island* and *Vampire Zero*

"The rare genre novel that manages to keep its sense of humor strong without ever diminishing the scares." --*The Onion AV Club*

"Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next." -*Publishers Weekly*

David Wong is the pseudonym of Jason Pargin, online humorist, *National Lampoon* contributor, and editor-in-chief of *Cracked.com.*

Users Review

From reader reviews:

Marla Mestas:

Reading a reserve tends to be new life style within this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Many author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write with their book. One of them is this John Dies at the End.

John Ashton:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love John Dies at the End, you may enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't get it, oh come on its known as reading friends.

Rachel Morris:

Your reading 6th sense will not betray you actually, why because this John Dies at the End guide written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still question John Dies at the End as good book but not only by the cover but also through the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing an additional sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

William McCoy:

A lot of guide has printed but it is unique. You can get it by web on social media. You can choose the best book for you, science, witty, novel, or whatever simply by searching from it. It is called of book John Dies at the End. You'll be able to your knowledge by it. Without departing the printed book, it may add your knowledge and make anyone happier to read. It is most crucial that, you must aware about reserve. It can bring you from one spot to other place.
