Literary Translation: A Practical Guide (Topics in Translation) By Clifford E. Landers

In this book, both beginning and experienced translators will find pragmatic techniques for dealing with problems of literary translation, whatever the original language. Certain challenges and certain themes recur in translation, whatever the language pair. This guide proposes to help the translator navigate through them. Written in a witty and easy to read style, the book's hands-on approach will make it accessible to translators of any background. A significant portion of this Practical Guide is devoted to the question of how to go about finding an outlet for one's translations.

Editorial Review

Review

Mr Landers, a prize winning translator of many books, confidently answers questions instinctive to translators in a personal and friendly tone that puts the reader at ease. This book serves as an excellent guideline for successful maneuvering while quenching my passion for literary translation.

(*Diane Teichman, inforMATIon, Issue 17, Summer 2008*)

No book exists that takes such a practical and comprehensive approach to the myriad issues faced by translators of literature, and in sharing his wisdom in such an accessible way, with Literary Translation: A Practical Guide, Cliff Landers has, in his own charming, humble way, made an enormous contribution to our craft.

(*Kirk Anderson, Welcome to TranslationZone.com!*)

This book is a jewel, displaying in its facets: artistry, hard-headedness, patience, common-sense, courage and charm... His guide should have a long and useful life.

(*Marilyn Gaddis Rose, ATA Chronicle, Vol. XXXI No 6*)

It is an eminently practical (and accessible) guide to literary translation, and one which I am sure will prove invaluable to translators just starting out.

(*Margaret Jull Costa, In Other Words, Autumn 2002*)

What I find most valuable in this book is Landers' insight and knowledge gained from his years of experience as a prolific literary translator.

(*Julie Huynh, Linguistlist 13.1821*)

Landers' witty and accessible style makes the book a pleasure to read, and the humor that he injects into the discussion will coax occasional laughter from even the most serious readers.

(*Donald Reindl, Linguistlist 13.904*)

Written in an engaging, witty and accessible style, this practical guide provides a concise overview of techniques and tools for translating literary works for publication.... Best read from cover to cover, this book will interest professionals but will prove especially useful and instructive for beginning and prospective translators.

(*K. Rosnek, Choice September 2002*)

Here is a guide that defies its generic limitations thanks to the flair and panache of its author.

(*Elzbieta Wojcik-Leese, Perspectives: Studies in Translatology Vol 11 No 3*)

Language Notes
Text: English, Portugese

Users Review

From reader reviews:

Dawn Williams:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite reserve and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Literary Translation: A Practical Guide (Topics in Translation). Try to the actual book Literary Translation: A Practical Guide (Topics in Translation) as your friend. It means that it can to be your friend when you really feel alone and beside that course make you smarter than previously. Yeah, it is very fortuned for yourself. The book makes you much more confidence because you can know every thing by the book. So , we should make new experience and knowledge with this book.

Todd McCrea:

Often the book Literary Translation: A Practical Guide (Topics in Translation) will bring one to the new experience of reading some sort of book. The author style to explain the idea is very unique. If you try to find new book to study, this book very suited to you. The book Literary Translation: A Practical Guide (Topics in Translation) is much recommended to you to learn. You can also get the e-book from official web site, so you can quickly to read the book.

Brian Wallace:

Reading a reserve tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some exploration before they write to their book. One of them is this Literary Translation: A Practical Guide (Topics in Translation).

Jennifer Williams:

Playing with family in a park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Literary Translation: A Practical Guide (Topics in Translation), you can enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.
