On Religious Diversity By Robert McKim

In *On Religious Diversity* Robert McKim distinguishes and examines a number of possible responses to the knowledge of diverse religious traditions that is available to all of us today. There is no escaping the fact that the presence of competing traditions now confronts each of the traditions in a new and forceful way. And there is widespread if inchoate recognition of genuine religious sensibilities and genuine religious seriousness in others. How might, and how should, an awareness of other traditions affect a member of a particular religious tradition? What attitudes should be taken to the beliefs and salvific prospects of members of other traditions? McKim examines several proposed answers to these questions, offering the deepest analysis to date of such options as exclusivism and inclusivism. He argues that what look like well-defined and discrete positions dissolve somewhat under scrutiny, revealing significantly different possibilities. McKim suggests where best to look for the most plausible answers and makes a case for the attractiveness of inclusivistic options. He pays particular attention to the religiously ambiguous nature of our circumstances and to the implications of this ambiguity.

Editorial Review

Review

"*On Religious Diversity* is an outstanding treatment of the morass of terms surrounding the philosophical discussion of religious diversity and its epistemological implications. It does excellent work in applying these distinctions to the philosophical issues, and is a natural sequel to McKim's previous book with Oxford." --Jerome Gellman, Professor of Philosophy, Ben Gurion University of the Negev

"McKim's lucid and helpful book is a valuable addition to the growing body of literature on religious diversity and its implications for religious belief."
--William J. Wainwright, Distinguished Professor of Philosophy Emeritus, University of Wisconsin-Milwaukee

"A book devoted to the various epistemological appraoches to religious diversity [such as McKim's] is to be welcomed." --*Notre Dame Philosophical Reviews*

"Clearly written with many interesting religious anecdotes, *On Religious Diversity* will prove to be a helpful book for anybody wishing to think through an epistemological and soteriological response to religious diversity." --*European Journal of Philosophy of Religion*

About the Author

Robert McKim is Professor of Religion and of Philosophy at the University of Illinois at Urbana-Champaign.

Users Review

From reader reviews:

Paul Green:

The book On Religious Diversity can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book On Religious Diversity? Some of you have a different opinion about publication. But one aim which book can give many facts for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or details that you take for that, you can give for each other; you may share all of these. Book On Religious Diversity has simple shape nevertheless, you know: it has great and massive function for you. You can seem the enormous world by wide open and read a reserve. So it is very wonderful.

Jack Scala:

Playing with family within a park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love On Religious Diversity, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't have it, oh come on its known as reading friends.

Jan Dixon:

Do you have something that that suits you such as book? The e-book lovers usually prefer to select book like comic, short story and the biggest an example may be novel. Now, why not hoping On Religious Diversity that give your satisfaction preference will be satisfied through reading this book. Reading habit all over the world can be said as the opportunity for people to know world much better then how they react when it comes to the world. It can't be mentioned constantly that reading addiction only for the geeky particular person but for all of you who wants to always be success person. So , for every you who want to start studying as your good habit, it is possible to pick On Religious Diversity become your current starter.

Cassandra Rosas:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book has been rare? Why so many issue for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book and also novel and On Religious Diversity or even others sources were given information for you. After you know how the fantastic a book, you feel would like to read more and more. Science e-book was created for teacher or even students especially. Those guides are helping them to include their knowledge. In different case, beside science e-book, any other book likes On Religious Diversity to make your spare time much more colorful. Many types of book like this.
