Editorial Review

Review

"Deft cross‐referencing, only possible by a deep knowledge of the subject, is typical of the book as a whole. . .Durden employs a poetic approach to writing often, which gives the book a lightness, preventing it from becoming turgid, dull, or unnecessarily academic." – ***British Journal of Photography***

About the Author
Mark Durden is a writer, artist and lecturer. He has written extensively on photography and contemporary art. Publications include Dorothea Lange (2001, 2012), Fifty Key Writers on Photography (2012), with David Campbell, Variable Capital (2007) and with Ken Grant, Double Take: Portraits from the Keith Medley Archive (2013). He is part of the artists' group Common Culture and currently Professor of Photography at the University of South Wales, UK.

Users Review
