Streetwise Venice Water Bus Map - Laminated Water Bus map (Vaporetto) of Venice, Italy - Folding pocket & wallet size metro map for travel

One of the best ways to see Venice and travel around Venice is by water. The Vaporetti or water buses are the public transportation of Venice. Sooner or later, a traveler to Venice will eventually find themselves on a Vaporetto. So for the enlightened traveler, who seeks unique travel experiences and anticipates the crowds of Rialto and San Marco, the STREETWISE Venice Water Bus Map is the perfect tool to help navigate in and around the island of Venice and throughout the Venetian Lagoon Islands. This pocket size trifold laminated map has all the important Vaporetto lines drawn to indicate year round routes and summer only lines. Really, what could be more practical and romantic than to travel early evening on the number 1 Canal line as the lights begin to turn on in Palazzos along the Grand Canal. Because Venice is built with small narrow streets which cannot provide you with an angle to see entire buildings, there are views from the Vaporetto that beats anything you can see on land. San Maria della Salute at the juncture of the Grand Canal and the Fusina Canal is a perfect example. All lines are color coded and each Vaporetto station is labeled by name and route number. These features enable the visitor to distinguish between routes which zigzag between as many as 20 stations from the circular routes which run in two directions.

Our pocket size water bus map of Venice is also laminated for durability and accordion folding for effortless use. The STREETWISE Venice water bus map is one of several detailed and easy-to-read maps designed and published by STREETWISE. Buy your STREETWISE Venice water bus map today and you too can navigate the Vaporetto like a native.
