Blue Tide By Jenna-Lynne Duncan

An award-winning YA adventure-packed romance steeped in Middle Eastern culture and set in the Asian Pacific amongst dangerous oceans and tropical islands.

Seventeen-year-old refugee Lux plots her escape from the island where her family is stranded, denying that her home was lost in the Floods. Lux is determined to get her old life back by any means possible. But before her feet even leave the sand, she's taken hostage by a vengeance-driven pirate nearly as young as she is.

Her capture is the key to his freedom...

Captain Draven's scarf veils more than his face. Underneath, he struggles between morality and survival. When Lux sees deeper into his motivations, she's torn. She can commit mutiny to escape to a home that may no longer exist, or she can try to help Draven escape the clutches of the person responsible for the deaths of half the world. Staying would mean entrusting her life to a pirate. Helping Draven would mean losing her heart to one.
