Coffeehouse Angel By Suzanne Selfors

Katrina works in her grandmother's coffee shop in a small town in Washington State, which isn't exactly the coolest job, given that it's an old-world Scandinavian coffee shop rather than the ultra hip Java Hut next door. One morning, when she gives a free cup of coffee and muffin to a homeless guy sleeping out behind the shop, this random act of kindness turns her life upside down. She soon learns that the homeless guy is actually a teenage guardian angel intent on returning the favor. Fame and fortune seem like the obvious requests, but after two botched wishes, Malcolm knows Katrina is hiding something from him. But how can she tell him the truth, when her heart's desire has become Malcolm himself?

Editorial Review

From School Library Journal
Grade 8 Up—In quaint, Scandinavian Nordby, WA, orphaned high school sophomore Katrina Svensen lives above her grandmother's struggling old-world coffeehouse. College applications are due, and she's desperate to discover a true talent, like best friends Vincent, a trophy-laden swimmer, and Elizabeth, an artist, have. Opening the coffeehouse one morning, Katrina discovers a young man prostrate in its alley. Assuming he's homeless or on a bender, she leaves him day-old pastries and fresh coffee, then locks herself inside and calls Vincent. The next time Katrina sees the handsome vagrant, Malcolm, he's declaring in school assembly that he must reward Katrina's unselfish deed with her greatest desire. Malcolm's a messenger angel, but his several attempts to grant the girl's heart's desire go awry. Naming this desire proves difficult for her as she wonders whether she should choose to keep the rival coffeehouse's owner away from her grandmother's business and his daughter away from Vincent, find her passion, or perhaps keep the handsome Malcolm around. Readers may relate, but may also lose patience with Katrina's constant self-criticism. Sometimes this more-tell-than-show book fluctuates between frothiness and weighty drama. The adults portrayed are often pliable, unrealistic, homophobic, or otherwise inappropriate. But a G-rated supernatural romance with interesting twists at its neatly tied up conclusion will appeal to readers looking for light chick-lit.—*Danielle Serra, Cliffside Park Public Library, NJ*
