Educational Psychology (Available Titles CourseMate) By Bruce Tuckman, David Monetti

This comprehensive educational psychology book blends a strong scholarly and theoretical background with the application of theories and concepts using real-world examples, case studies, and practical teaching strategies. The book's innovative pedagogical program is anchored by a cohesive learning objective system integrated throughout each chapter, which guides readers and reinforces their understanding of concepts. A unique "Think It Over" feature asks readers to reflect on important topics as both a student of psychology and a future classroom teacher. Video Cases, introduced in the book and available to view on the book's Companion Website, provide a firsthand look at real-world applications and best practices. Among the other distinctive aspects of the book is an entire chapter on group process.
