Nietzsche and the Problem of Subjectivity (Nietzsche Today) By João Constancio, Maria Joao Mayer Branco, Bartholomew Ryan

"The problem of subjectivity" has become crucial in recent debates in Nietzschean scholarship and is key to understanding Nietzsche's relation to the whole of modern philosophy, as well as his impact on philosophy from the time of his death until today. The collection assembles 26 essays by some of the finest Nietzsche scholars (including Robert B. Pippin, John Richardson, Ken Gemes, Sebastian Gardner, Brian Leiter, Keith Ansell-Pearson, Paul Katsafanas, Anthony Jensen, Werner Stegmaier, Giuliano Campioni), and is the first volume to address Nietzsche's view of subjectivity in a comprehensive way.

Editorial Review

From the Back Cover
An impressive collection of original essays by an eclectic group of scholars. The multiplicity of philosophical perspectives, traditions, and approaches featured in this collection faithfully conveys the breadth of Nietzsche's continued influence on philosophers concerned with subjectivity. This collection of essays provides yet another index of the excellent research that is underway in the Nietzsche International Lab (NIL) in Lisbon.
Daniel Conway, Texas A&M University, Tamu Tx, USA

About the Author
Joao Constancio, Maria Joao Mayer Branco, and Bartholomew Ryan, Universidade Nova de Lisboa, Lisbon, Portugal. All three authors belong to Nietzsche International Lab (NIL): nietzschelab.com

Users Review
