Principles of Financial Accounting By Belverd E. Needles

Needles and Powers continue to help instructors stay on top of the change curve with Principles of Financial Accounting. Balanced, flexible content in this market-leading text is supported by an array of integrated print and technology supplements. Whether an instructor wants to present a user or procedural orientation, incorporate new instructional strategies, develop students' core skills and competencies, or integrate technology into the classroom, Principles of Financial Accounting provides a total solution, making it the natural choice for accounting instructors. The Tenth Edition focuses primarily on the use of accounting information in today's business world--beginning with sole proprietorships--and represents the most significant revision of the text to date. Content updates reflect current accounting and business practices, while greater attention is given to ethics, service enterprises, and international issues. In addition, the text features a more concise, accessible writing style; a new design to emphasize the user-oriented content; and enhanced technology components for both instructors and students. Accuracy reviewers check every line and work through each exercise in the text and supplements, making Principles of Financial Accounting the most accurate among similar texts on the market.

Editorial Review

About the Author
Belverd E. Needles, Jr., received his BBA and MBA degrees from Texas Tech University and his PhD degree from the University of Illinois at Urbana-Champaign. He teaches financial accounting, managerial accounting, and auditing at DePaul University, where he is an internationally recognized expert in international accounting and education. He has published in leading journals and is the author or editor of more than 20 books and monographs. His current research relates to international financial reporting, performance measurement, and corporate governance of high-performance companies in the United States, Europe, India, and Australia. His textbooks are used throughout the world and have received many awards, including (in 2008) the McGuffey Award from the Text and Academic Authors Association. Active in many academic and professional organizations, he is immediate past vice president-education of the American Accounting Association. He received the Distinguished Alumni Award from Texas Tech University, the Illinois CPA Society Outstanding Educator Award and its Life-Time Achievement Award, the Joseph A. Silvoso Faculty Award of Merit from the Federation of Schools of Accountancy, the Ledger & Quill Award of Merit, and the Ledger & Quill Teaching Excellence Award. He was named Educator of the Year by the American Institute of CPAs, Accountant of the Year for Education by the national honorary society Beta Alpha Psi, and Outstanding International Accounting Educator by the American Accounting Association. He received the Excellence in Teaching Award from DePaul University.

Marian Powers received her B.S. degree from Chicago State University and her Ph.D. degree from University of Illinois at Urbana-Champaign. In addition to the Kellogg School of Management at Northwestern University, she has taught financial accounting at the University of Illinois, Chicago, and at the Lake Forest Graduate School of Management. Internationally recognized as a dynamic teacher in executive education, she specializes in teaching nonfinancial managers how to read and understand internal and external financial reports, including the impact of international financial reporting standards (IFRS). Her current research relates to international financial reporting, performance measurement, and corporate governance of high-performance companies in the United States, Europe, India, and Australia. Her research has been published in leading journals. Her textbooks, coauthored with Belverd E. Needles, Jr., are used throughout the world and have received many awards, including the Textbook Excellence Award and the McGuffey Award from the Text and Academic Authors Association. She has also coauthored three interactive multimedia software products. She currently serves on the Board of the CPA Endowment Fund of Illinois and is immediate past-chair of the Board of Governors of the Winnetka Community House. She is a member of International Association of Accounting Education and Research, and Illinois CPA Society. She has served on the Board of Directors of the Illinois CPA Society, the Educational Foundation of Women in Accounting, and both the national as well as Chicago chapters of ASWA.

Users Review

From reader reviews:

Sharon Hardin:

The book Principles of Financial Accounting can give more knowledge and information about everything you want. Exactly why must we leave a good thing like a book Principles of Financial Accounting? A number of you have a different opinion about e-book. But one aim that book can give many information for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or details that you

take for that, you may give for each other; it is possible to share all of these. Book Principles of Financial Accounting has simple shape but the truth is know: it has great and big function for you. You can search the enormous world by wide open and read a guide. So it is very wonderful.

James Daniels:

This Principles of Financial Accounting is great guide for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. This specific book reveal it facts accurately using great coordinate word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having Principles of Financial Accounting in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen second right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?

Ryan Fox:

Don't be worry for anyone who is afraid that this book will probably filled the space in your house, you may have it in e-book means, more simple and reachable. This particular Principles of Financial Accounting can give you a lot of pals because by you looking at this one book you have thing that they don't and make you actually more like an interesting person. This book can be one of one step for you to get success. This e-book offer you information that maybe your friend doesn't know, by knowing more than additional make you to be great men and women. So , why hesitate? Let me have Principles of Financial Accounting.

Santiago Klein:

Reading a guide make you to get more knowledge from that. You can take knowledge and information from a book. Book is created or printed or descriptive from each source this filled update of news. On this modern era like right now, many ways to get information are available for you actually. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just seeking the Principles of Financial Accounting when you needed it?
