Reader's Choice, 5th edition By Sandra Silberstein, Mark A. Clarke, Barbara K. Dobson

Reader's Choice is among the world's best loved and most successful ESL/EFL textbooks for the teaching of academic skills. Based on the theory that proficient reading requires the coordination of a number of skills, this classic text recognizes that the most important of these is the reader's ability to select the proper skills or strategies to solve each reading challenge. The exercises and readings in *Reader's Choice* help students to become independent, efficient readers.

Each carefully selected reading is accompanied by a wide variety of exercises. Skills-focused units alternate with units centering on full reading passages. *Reader's Choice, Fifth Edition,* preserves this proven format and popular readings while bringing new material and updates to every unit from the previous edition.

New in this edition of *Reader's Choice:*

- **Visual Literacy.** Today's students are confronted with a dizzying array and combination of print and graphics. This edition features more activities that develop strategies for gleaning information from combinations of text and graphics.
- **Web Work.** The ability of today's students to evaluate information sources is nowhere more crucial than on the Internet. Extensive Web Work appears in three skills units and additional web-based activities occur throughout the book.

* **New Readings.** Nine new reading selections respond to the changing environment faced by our students, taking up issues of globalization in a multicultural, multigenerational world.

§ **Additional Vocabulary and Additional Skills.** New readings bring additional vocabulary with new lexical items topically related across a series of linked readings. Additional skills work includes reading longer passages and creating prose summaries for Paragraph Main Idea work and transferring data from prose to tables and from graphs to prose. Some vocabulary activities have been moved to the companion website.

Users of *Reader's Choice* will be pleased to find that many of the features they have used with success have been retained: intensive language-based reading practice; realistic literacy tasks based on the use of authentic reading passages; a focus on reading skills but opportunities for speaking, listening, and writing in the context of the issues raised in the readings; activities that support task-based learning; and texts and tasks that stretch and challenge students in meaningful ways.

A companion website featuring interactive vocabulary activities/quizzes is available at www.press.umich.edu/esl/readerschoice/.

Editorial Review

Users Review

From reader reviews:

Doris Rice:

Exactly why? Because this Reader's Choice, 5th edition is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

Sandra Phillips:

Do you have something that you like such as book? The reserve lovers usually prefer to decide on book like comic, quick story and the biggest the first is novel. Now, why not hoping Reader's Choice, 5th edition that give your fun preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the way for people to know world considerably better then how they react when it comes to the world. It can't be stated constantly that reading habit only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you may pick Reader's Choice, 5th edition become your own personal starter.

Leslie Jasso:

Your reading 6th sense will not betray you, why because this Reader's Choice, 5th edition book written by well-known writer who really knows well how to make book that could be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still doubt Reader's Choice, 5th edition as good book not just by the cover but also from the content. This is one publication that can break don't judge book by its include, so do you still needing yet another sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Rodney Hussey:

This Reader's Choice, 5th edition is new way for you who has intense curiosity to look for some information since it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know or you who still having small amount of digest in reading this Reader's Choice, 5th edition can be the light food

in your case because the information inside this particular book is easy to get simply by anyone. These books produce itself in the form which is reachable by anyone, yes I mean in the e-book application form. People who think that in guide form make them feel drowsy even dizzy this reserve is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the item! Just read this e-book type for your better life in addition to knowledge.
