The BFG By Dahl Roald

"Well, first of all, " said the BFG, "human beans is not really believing in giants, is they? Human beans is not thinking we exist."

Sophie discovers that giants not only exist, but that there are a great many of them who like to guzzle and swallomp nice little chiddlers. But not the Big Friendly Giant. He and Sophie cook up an ingenious plot to free the world of troggle-humping -- forever.

Editorial Review

Amazon.com Review
Evidently not even Roald Dahl could resist the acronym craze of the early eighties. BFG? Bellowing ferret-faced golfer? Backstabbing fairy godmother? Oh, oh ... Big Friendly Giant! This BFG doesn't seem all that F at first as he creeps down a London street, snatches little Sophie out of her bed, and bounds away with her to giant land. And he's not really all that B when compared with his evil, carnivorous brethren, who bully him for being such an oddball runt. After all, he eats only disgusting snozzcumbers, and while the other Gs are snacking on little boys and girls, he's blowing happy dreams in through their windows. What kind of way is that for a G to behave?

The BFG is one of Dahl's most lovable character creations. Whether galloping off with Sophie nestled into the soft skin of his ear to capture dreams as though they were exotic butterflies; speaking his delightful, jumbled, squib-fangled patois; or whizzpopping for the Queen, he leaves an indelible impression of bigheartedness. *(Ages 9 to 12)*

Review
“Roald Dahl and Quentin Blake are uncanny in their understanding of what children like to read and see. Sophie, an eight-year-old orphan, is kidnapped by the BFG (Big Friendly Giant) and taken to Giantland, where [her] alliance with the BFG and the queen of England results in the capture of the nine evil giants. Children will enjoy this book.” ?*The New York Times Book Review*

About the Author

Roald Dahl is one of the most successful and well-known of all children's writers. His books, which are read by children the world over, include *James and the Giant Peach*, C*harlie and the Chocolate Factory*, *The Witches* and *Matilda*.

Users Review

From reader reviews:

Dennis Simpson:

This The BFG are usually reliable for you who want to become a successful person, why. The explanation of this The BFG can be one of the great books you must have will be giving you more than just simple reading through food but feed a person with information that perhaps will shock your previous knowledge. This book will be handy, you can bring it all over the place and whenever your conditions in e-book and printed ones. Beside that this The BFG forcing you to have an enormous of experience such as rich vocabulary, giving you tryout of critical thinking that could it useful in your day task. So , let's have it and revel in reading.

Debra Davis:

Precisely why? Because this The BFG is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book close to it was

fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the guide store hurriedly.

Florence Williams:

With this era which is the greater person or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple approach to have that. What you have to do is just spending your time little but quite enough to enjoy a look at some books. One of many books in the top checklist in your reading list is The BFG. This book and that is qualified as The Hungry Slopes can get you closer in getting precious person. By looking upwards and review this guide you can get many advantages.

William Jones:

Do you like reading a book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes reading through, not only science book and also novel and The BFG or others sources were given information for you. After you know how the fantastic a book, you feel desire to read more and more. Science publication was created for teacher or students especially. Those books are helping them to bring their knowledge. In other case, beside science publication, any other book likes The BFG to make your spare time much more colorful. Many types of book like here.
