Editorial Review

Review

A good idea--its utility far outweighs qualms purists have about students not reading every last item in the catalogue of ships. The translation is vigorous and readable. --Andrew Ford, Princeton University

Not only does one get an excellent translation of both Homer's *Iliad* and *Odyssey* under one cover, but the selections included are infinitely better and longer than what one normally gets in anthologies of Greek literature. For courses in which entire texts cannot be used, this is by far the best choice available today. --Kostas Myrsiades, Westchester University

The Essential Homer fills a long-felt need for an edition that offers a sizable selection of the books and passages most likely to be used in undergraduate courses. It's a wonderful help. --Richard P. Martin, Stanford University
