Editorial Review

From Booklist
At this point in her career, Jackie Collins is as much a brand as an author. Readers come to her books expecting sex, glamour, and a glimpse into the lifestyles of the rich and famous, and that’s precisely what her newest delivers. Collins introduces a half-dozen couples she scarcely needs to develop as characters—a Russian oligarch, his supermodel girlfriend, and a George Clooney doppelgänger with his arm-candy-of-the-month are familiar types ripped straight from the pages of People magazine. Yes, they’re a shallow, pampered lot, which is what makes them so much fun, though a few, most notably Luca, the gay Latino singing sensation, demonstrate surprising sensitivity. The tenuously connected group gathers for a cruise on a luxury yacht, a pretext that allows for much display of gorgeous bikinied bodies and provides the perfect claustrophobic setting to either bring lovers closer together or drive them apart. To this romantic intrigue, Collins adds a hijacking plot so that the final act reads like an action movie, complete with high-speed boat chases and Somali pirates. Classic Collins at her best. HIGH-DEMAND BACKSTORY: With some 500 million books sold, blockbuster-queen Collins will add another best-seller to her list of 29 as this hot novel is touted via an enormous national multimedia blitz and author appearances. --Patty Wetli

Review
"Bin your *Fifty Shades* - there are no better bedroom (or any other room, for that matter) scenes than in a Jackie book. And with its backdrop of extreme wealth, enviable jewels and a whole lot of designer togs, you won't fail to be seduced." --*Heat World*

"Climbing aboard with this sea of extravagant creatures, whose sexual tastes lie on the fringe of raunchy, is abashedly rousing, and what more could one hope for from Collins?"?*Publishers Weekly*

*"*The queen of chronicling the lives of the jet set, Collins toggles rapidly between plotlines, keeping the action moving and the sex abundant. Glitzy and exciting."?*Kirkus Reviews*

From the Inside Flap
The couple on the bed had sex as if it were their final act.

And for one of them it was.
Neither of them heard the door slowly open.
Neither of them observed the shadowy figure enter the room.
They were too caught up in the throes of passionate lovemaking.
Until . . . one single gunshot.
The blood flowed.
And for one of them, death and orgasm happened at the exact same moment.
Life has a strange way of taking you on an unexpected trip.
This was one of those times.
