The Sound of the Mountain By Yasunari Kawabata

Nobel Prize winner Yasunari Kawabata's *The Sound of the Mountain* is a beautiful rendering of the predicament of old age — the gradual, reluctant narrowing of a human life, along with the sudden upsurges of passion that illuminate its closing.

By day Ogata Shingo, an elderly Tokyo businessman, is troubled by small failures of memory. At night he associates the distant rumble he hears from the nearby mountain with the sounds of death. In between are the complex relationships that were once the foundations of Shingo's life: his trying wife; his philandering son; and his beautiful daughter-in-law, who inspires in him both pity and the stirrings of desire. Out of this translucent web of attachments, Kawabata has crafted a novel that is a powerful, serenely observed meditation on the relentless march of time.

Editorial Review

Review
“Kawabata is a poet of the gentlest shades, of the evanescent, the imperceptible.”
—*Commonweal*

“A rich, complicated novel. . . . Of all modern Japanese fiction, Kawabata’s is the closest to poetry.”
—*The New York Times Book Review*

Language Notes
Text: English, Japanese (translation)

From the Back Cover
By day Ogata Shingo is troubled by small failures of memory. At night he hears a distant rumble from the nearby mountain, a sound he associates with death. In between are the relationships that were once the foundation of Shingo's life: with his disappointing wife, his philandering son, and his daughter-in-law Kikuko, who instills in him both pity and uneasy stirrings of sexual desire. Out of this translucent web of attachments - and the tiny shifts of loyalty and affection that threaten to sever it irreparably - Kawabata creates a novel that is at once serenely observed and enormously affecting.

Users Review

From reader reviews:

Adam Jones:

What do you with regards to book? It is not important together with you? Or just adding material when you require something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question since just their can do this. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this kind of The Sound of the Mountain to read.

Ruth Brown:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with training books but if you want feel happy read one together with theme for entertaining for example comic or novel. The particular The Sound of the Mountain is kind of e-book which is giving the reader unpredictable experience.

Vicky Bowman:

Reading a book tends to be new life style in this particular era globalization. With examining you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this The Sound of the Mountain.

Matthew Hansen:

Is it a person who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This The Sound of the Mountain can be the answer, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?
