Vladimir Kagan: A Lifetime of Avant-Garde Design By Vladimir Kagan

Pointed Leaf Press is pleased to announce that we will be publishing an updated edition of The Complete Kagan: Vladimir Kagan, A Lifetime of Avant Garde Design in a larger format with exciting revisions that include Kagan's impressive new work over the last decade. Since 2004, Kagan's international reach has grown by leaps and bounds, in showrooms in France and Italy, and with commissions for high-end interiors by some of the world's leading architects and interior designers. Beginning with his childhood in Germany and his family's escape from Nazi power, Kagan chronicles his rise to become one of America's most celebrated designers. Comfort, practicality, and an often-idiosyncratic modernist sensibility are the hallmarks of his enduring career.

"It is the perfect time to celebrate Vladimir Kagan's influential new work. His new custom designs are transformative and the new installations - documented in striking contemporary interiors - will make the book - the only one that documents in detail the designer's amazing career - a must-have for young and seasoned designers alike. It will also offer a sneak peek into Kagan's foray into architecture!" - Suzanne Slesin, Publisher and Editorial Director, Pointed Leaf Press.

Editorial Review

Review
His furniture is the very best of mid-century modern, but he's not following the trend. He created it. (*New York Social Diary, August 14, 2015*)

With his monograph in a new edition, a spate of commissions and a blog, the octogenarian legend remains a vital creative force. (Marisa Bartolucci *1st Dibs, October 19, 2015*)

Kagan's practice continues to inspire and intrigue. (Jonathan Bell *Wallpaper*, December 23, 2015*)

Users Review

From reader reviews:

Alma Driver:
