Editorial Review

From the Back Cover

Compact yet complete–and always at a reasonable price!

For more than 60 years, instructors and their students have looked to Penguin trade paperbacks for state-of-the-art scholarship, accessibility, and fair prices. Longman, Penguin's sister company, aims to meet those same expectations with textbooks in our series Penguin Academics.

We've created the Penguin Academics series with ease of use in mind–the books are conveniently portable and highly readable, with engaging typefaces and interior designs. Concise yet thorough in their coverage of the basics, Penguin Academics titles are ideal for use either by themselves or in combination with other books. A list of related Penguin paperbacks can be found at the back of this and every Penguin Academics title.

The ideal alternative to longer anthologies, this brief, affordable, and diverse collection of short stories from the past three centuries provides a concise yet comprehensive introduction to the study of fiction. In keeping with the objectives of the Penguin Academics series, *Fiction: A Pocket Anthology* offers a range of widely admired stories from 19th, 20th and 21st century authors in a quality trade-format book at an affordable price.

[*Fiction*] is a handy anthology that has the best selection of readings that I have seen in an anthology. And all this without being overwhelming!
Shazia Ali, Eastfield College, TX

The stories [are] an excellent group of old and new, of men and women, of canonical chestnuts and the modern multicultural voices we need to hear. The Introduction is a superb addition to the anthology that will help any instructor teach the tales, the critical language of fiction, and how to write about the stories. Finally, the size [makes this book] easily held in the hand!
Michael Chappell, Western Connecticut State University

The book's greatest feature is that it argues that ethnic, national, and gender diversity are what make the canon of short fiction such a vital part of literature. I love the way this anthology manages to include the best of the best short stories [while incorporating] the diverse voices that are so important to the genre.
Stephen Tuttle, Brigham Young University

About the Author

R. S. Gwynn has edited several other books, including *Drama: A Pocket Anthology*; *Poetry: A Pocket Anthology*; *Literature: A Pocket Anthology*; *Inside Literature: Reading, Responding, Writing* (with Steven Zani); *The Art of the Short Story* (with Dana Gioia); and *Contemporary American Poetry: A Pocket Anthology* (with April Lindner). He has also authored five collections of poetry, including *No Word of Farewell: Selected Poems, 1970-2000*.
