Editorial Review

Review
Fred W. Crismon - This huge, timeless classic is the complete photographic history of International Trucks from their beginning in 1907 through 2007. With over 2,500 black & white photographs, it covers every vehicle the company produced and is without at doubt the most comprehensive work ever done these world famous trucks. 720 pages, including 55 pages with 204 full-color photos. 8.5" x 11'". Soft Cover --Lance Frickensmith

About the Author
This is the third book written by Fred Crismon. From 1946 until today, the literature on all makes of cars and trucks has continued to accumulate in Fred's collections. Even in the 35 years of military and government service, of which 21 years were spent outside the US, Fred always made a point to try to keep up to date on International trucks. It was not an easy task, but through letters to the company, assistance from friends, and periodic trips back to the US, the file maintained some degree of continuity.

Users Review

From reader reviews:

Luba Jacobs:

Playing with family within a park, coming to see the marine world or hanging out with good friends is thing that usually you may have done when you have spare time, then why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love International Trucks (Crestline Series), you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

Jack Young:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you just dont know the inside because don't evaluate book by its handle may doesn't work this is difficult job because you are frightened that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer may be International Trucks (Crestline Series) why because the fantastic cover that make you consider concerning the content will not disappoint anyone. The inside or content is usually fantastic as the outside or cover. Your reading sixth sense will directly direct you to pick up this book.

Robert Marshall:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you have problem with the book as compared to can satisfy your small amount of time to read it because this time you only find book that need more time to be

examine. International Trucks (Crestline Series) can be your answer since it can be read by anyone who have those short free time problems.

James Cummings:

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is International Trucks (Crestline Series) this guide consist a lot of the information from the condition of this world now. This kind of book was represented how does the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The writer made some study when he makes this book. This is why this book appropriate all of you.
