Editorial Review

From School Library Journal
Grade 9 Up—This entertaining compendium is loaded with everything anyone would want to know about the popular series (S & S). Smith offers an insightful introduction, discussing her mindset in writing it and expectations of the characters and their relationships. Chock-full of "Night World" history, the chapters offer plenty of juicy tidbits about dragons, werewolves, witches, ghouls, shape-shifters, and, of course, vampires. Quizzes test readers' knowledge of the series. The book ends with an excerpt from the new *Strange Fate*. Recommended for libraries with die-hard "Night World" fans or with a strong occult following.—*Donna Rosenblum, Floral Park Memorial High School, NY*
