The 1% Solution for Work and Life: How to Make Your Next 30 Days the Best Ever By Tom Connellan

Top sales reps, weight loss champs, blue chip firms, Warren Buffett, Navy SEALs, Olympians, and other winners all understand the power of 1%. Packed with actionable ideas, The 1% Solution shows you how to power up your next 30 days and then keep on going at a permanently higher level. Because it's based not upon opinion, but upon solid research that's backed up with real-life examples, this book is for those who want to be better right now.
Connellan notes, for example, that while it's virtually impossible to be 100% better than your competition, it's very possible to be 1% better in hundreds of things.
Connellan draws on three sources for the practical solutions he offers:
1. His background as a Research Associate and Program Director at the Michigan Business School where he was responsible for the design and implementation of 72 management development programs a year.
2. His street experience as an entrepreneur who started a company in the health promotion field and built it into a network of 1200 instructors serving 300 hospitals and most of the Fortune 500 companies. More than 1,000,000 people went through its programs and two different Surgeon General reports cited the firms program quality.
3. His current work as a keynote speaker and consultant whose clients include such diverse organizations as FedEx, TD Canada Trust, Marriott, Sobeys, Sony, Acura, BMW, Rogers Communications, Canadian Tire, Neiman Marcus, Home Depot, Target, and the military.
As part of his research, he looked at individuals who worked to improve their personal and work lives. While most everyone put in a lot of effort, he found one key difference between those who won that battle and those who lost that battle.
The winners had a structure a structure that gave them a disciplined focus and the losers didn't.
If you're interested in a proven structure for work and personal success, this book belongs in your library right now because as one reviewer said The 1% Solution really does give you the magic formula for 'How to Make Your Next 30 Days the Best Ever.'
