The Age of Alexander (Penguin Classics) By Plutarch

Plutarch's influential writings on the ancient world

Plutarch's parallel biographies of the great men in Greek and Roman history are cornerstones of European literature, drawn on by countless writers since the Renaissance. This selection provides intimate glimpses into the lives of these men, revealing why the mild Artaxerxes forced the killer of his usurping brother to undergo the horrific "death of two boats"; why the noble Dion repeatedly risked his life for the ungrateful mobs of Syracuse; why Demosthenes delivered a funeral oration for the soldiers he had deserted in battle; and why Alexander self-destructed after conquering half the world.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Editorial Review

About the Author
Plutarch (c.50-c.120 AD) was a writer and thinker born into a wealthy, established family of Chaeronea in central Greece. He received the best possible education in rhetoric and philosophy, and traveled to Asia Minor and Egypt. Later, a series of visits to Rome and Italy contributed to his fame, which was given official recognition by the emperors Trajan and Hadrian. Plutarch rendered conscientious service to his province and city (where he continued to live), as well as holding a priesthood at nearby Delphi. His voluminous surviving writings are broadly divided into the "moral"works and the *Parallel Lives* of outstanding Greek and Roman leaders. The former (*Moralia*) are a mixture of rhetorical and antiquarian pieces, together with technical and moral philosophy (sometimes in dialogue form). *The Lives* have been influential from the Renaissance onwards.

Users Review

From reader reviews:

Alma Driver:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people feel enjoy to spend their time for you to read a book. They are really reading whatever they have because their hobby is reading a book. Consider the person who don't like reading through a book? Sometime, particular person feel need book once they found difficult problem or perhaps exercise. Well, probably you'll have this The Age of Alexander (Penguin Classics).

Daryl Church:

Nowadays reading books be a little more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining for instance comic or novel. Typically the The Age of Alexander (Penguin Classics) is kind of book which is giving the reader capricious experience.

Jerry Jackman:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, you think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like The Age of Alexander (Penguin Classics) which is having the e-book version. So , why not try out this book? Let's find.

Melinda Brown:

On this era which is the greater individual or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you are related is just spending your time almost no but quite enough to have a look at some books. One of the books in the top checklist in your reading list is usually The Age of Alexander (Penguin Classics). This book and that is qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking upward and review this reserve you can get many advantages.
