The Law of Sex Discrimination, 4th Edition By J. Ralph Lindgren, Nadine Taub, Beth Anne Wolfson, Carla M. Palumbo

An honest and informative text on sex discrimination and the law, THE LAW OF SEX DISCRIMINATION approaches the idea of using law to analyze sex discrimination from a variety of contexts: as an occasion for ideological disputes, as a reflection of contemporary policy debates over the future direction of society, and as part of the historical development of--and response to--feminism. Fully updated for 21st century, this flexibly organized text examines topics that range from reproductive rights to global trends in gender law, and includes appendices that deal with the court system, a brief discussion of how to outline cases, and a glossary of legal and technical terms.
