The Waves By Virginia Woolf

One of Woolf’s most experimental novels, The Waves presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

Editorial Review

Review
'Together these ten volumes make an attractive and reasonably priced (the volumes vary between L3.99 and L4.99) working edition of Virginia Woolf's best-known writing. One can only hope that their success will prompt World's Classics to add her other essays to the series in due course.' Elisabeth Jay, Westminster College, Oxford, Review of English Studies, Vol. XLV, No. 178, May '94

From the Back Cover

"Clear, bright, burnished, at once marvelously accurate and subtly connotative. The pure, delicate sensibility found in this language and the moods it expresses are a true kind of poetry." – *The New York Times*

The Waves is often regarded as Virginia Woolf's masterpiece, standing with those few works of twentieth-century literature that have created unique forms of their own. In deeply poetic prose, Woolf traces the lives of six people from infancy to death as they fleetingly unite around the unseen figure of a seventh, Percival. Allusive and mysterious, *The Waves* yields new treasures upon each reading.

Virginia Woolf (1882-1941), one of the major literary figures of the twentieth century, transformed the art of the novel. The author of numerous novels, collections of letters, journals, and short stories, she was an admired literary critic and a master of the essay form.

Mark Hussey, general editor of Harcourt's annotated Woolf series, is professor of English at Pace University in New York City and editor of the Woolf Studies Annual.

Molly Hite is professor of English at Cornell University. She is the author of *Ideas of Order in the Novels of Thomas Pynchon, The Other Side of the Story: Structures and Strategies of Contemporary Feminist Narrative*, and two novels, *Class Porn* and *Breach of Immunity.* She has written articles on postmodernist and modernist fiction, feminist theory and practice, and academic culture.

About the Author

VIRGINIA WOOLF (1882–1941) was one of the major literary figures of the twentieth century. An admired literary critic, she authored many essays, letters, journals, and short stories in addition to her groundbreaking novels.

Users Review

From reader reviews:

Thomas Barreto:

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated it for a while is reading. Sure, by reading a reserve your ability to survive enhance then having chance to stand than other is high. For you who want to start reading any book, we give you this particular The Waves book as starter and daily reading guide. Why, because this book is greater than just a book.

Karen Partain:

Do you one among people who can't read pleasurable if the sentence chained inside straightway, hold on guys that aren't like that. This The Waves book is readable through you who hate those perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to provide to you. The writer regarding The Waves content conveys thinking easily to understand by many people. The printed and e-book are not different in the written content but it just different as it. So , do you even now thinking The Waves is not loveable to be your top checklist reading book?

Randy Scott:

The publication with title The Waves has a lot of information that you can learn it. You can get a lot of gain after read this book. This specific book exist new know-how the information that exist in this publication represented the condition of the world now. That is important to yo7u to know how the improvement of the world. This particular book will bring you with new era of the the positive effect. You can read the e-book with your smart phone, so you can read the item anywhere you want.

Teresa Hennessey:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Waves can make you sense more interested to read.
