Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice)
From Routledge

Anarchism & Sexuality aims to bring the rich and diverse traditions of anarchist thought and practice into contact with contemporary questions about the politics and lived experience of sexuality. Both in style and in content, it is conceived as a book that aims to question, subvert and overflow authoritarian divisions between the personal and political; between sexual desires categorised as heterosexual or homosexual; between seemingly mutually exclusive activism and scholarship; between forms of expression such as poetry and prose; and between disciplinary categories of knowledge. *Anarchism & Sexuality* seeks to achieve this by suggesting connections between ethics, relationships and power, three themes that run throughout. The key objectives of the book are: to bring fresh anarchist perspectives to debates around sexuality; to make a queer and feminist intervention within the most recent wave of anarchist scholarship; and to make a queerly anarchist contribution to social justice literature, policy and practice. By mingling prose and poetry, theory and autobiography, it constitutes a gathering place to explore the interplay between sexual and social transformation.This book will be of use to those interested in anarchist movements, cultural studies, critical legal theory, gender studies, and queer and sexuality studies.

Editorial Review

Review

"I feel in reading some of these pieces that the participants have invested a lot of themselves in their contributions. There is an immediacy and liveliness in a lot of these pages. The personal investment on the part of the authors helps make it so that there is much to relate to in *Anarchism and Sexuality***, on both an intellectual level** ***and*** **an emotional level."**
Michael Larson, M.A. Instructor at Point Park University, Pittsburgh, writing for Metapsychology

"This is the book I have been waiting for?the book I want to give my students, share with friends, and draw from in my own work. It makes me grateful for my training in feminist theory, and ever more committed to using anarchy as a basis for sexual politics."
Breanne Fahs, Ph.D., Arizona State University

"*Anarchism & Sexuality* **is a brave and rewarding contribution to the field of inquiry of sexuality and emotions."** Elena Lindholm Narváez (2011): A Post-anarchist Momentum, NORA - Nordic Journal of Feminist and Gender Research, DOI:10.1080/08038740.2011.646446

About the Author

Jamie Heckert is a founding member of the Anarchist Studies Network. His writings on identity, ethics, non-monogamy, post-anarchism and ecology have appeared in a variety of activist and scholarly publications

Richard Cleminson is Reader in the History of Sexuality at the University of Leeds and Associate Editor of *Anarchist Studies*. His research centres on the history of sexuality in Spain and he has published on anarchism and sexuality, the history of male homosexuality and hermaphroditism.

Users Review

From reader reviews:

Todd Quesinberry:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or maybe goal; it means that reserve has different type. Some people really feel enjoy to spend their time for you to read a book. These are reading whatever they take because their hobby is actually reading a book. Consider the person who don't like studying a book? Sometime, person feel need book when they found difficult problem or perhaps exercise. Well, probably you will need this Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice).

Richard Reardon:

This Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice) are usually reliable for you who want to become a successful person, why. The main reason of this Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice) can be one of the great books you must have is giving you more than just simple studying food but feed you with information that perhaps will shock your before knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions both in e-book and printed kinds. Beside that this Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice) giving you an enormous of experience like rich vocabulary, giving you test of critical thinking that we all know it useful in your day pastime. So , let's have it and revel in reading.

Kim Salgado:

Reading a e-book tends to be new life style in this era globalization. With examining you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their own reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice).

Raymond Brown:

Many people spending their time frame by playing outside using friends, fun activity having family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, ya think reading a book can definitely hard because you have to take the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smart phone. Like Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice) which is having the e-book version. So , try out this book? Let's view.
