Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library) By Ottmar Brandau

As a consultant to the plastics industry, Ottmar Brandau's focus is on using his engineering knowhow and production management experience to improve quality and productivity, cut down cycle time and introduce secondary processes such as inline printing. This book is a thoroughly practical handbook that provides engineers and managers with the toolkit to improve production and engineering aspects in their own businesses – saving money, increasing output and improving competitiveness by adopting new technologies.

In this book, Brandau covers the engineering aspects of bottle production and the relevant production processes (focusing on blow molding), along with plant layout and organization and production management, to produce the definitive handbook for engineers and managers alike.

- Learn the tricks of the trade from an experienced engineer and manager
- Save money: Practical strategies to improve cycle times
- Increase productivity: Improve plant layout and organization and implement secondary processes such as inline printing

Editorial Review

Review

*"PETplanet insider is publishing extracts from successive chapters of Ottmar Brandau's "Bottles, Preforms and Closures," which was first published by hbmedia. A newly revised edition is reissued under the Elsevier imprint."--**PETplanet insider,*** **April 2014**

About the Author
Ottmar Brandau is President of Apex Container Inc. in Ontario, Canada. Brandau is a member of the Society of Plastics Engineers and was previously VP Operations at Magic North America Inc.

Users Review

From reader reviews:

Billie Duran:

Book is to be different per grade. Book for children right up until adult are different content. As it is known to us that book is very important normally. The book Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library) seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The e-book Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library) is not only giving you a lot more new information but also to become your friend when you sense bored. You can spend your spend time to read your reserve. Try to make relationship using the book Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library). You never feel lose out for everything if you read some books.

Joseph Braddock:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these individuals keep up with the era and that is always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library) is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Percy Brown:

Are you kind of hectic person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because pretty much everything time you only find book that need more time to be learn. Bottles, Preforms and Closures: A Design Guide for PET

Packaging (Plastics Design Library) can be your answer because it can be read by you actually who have those short spare time problems.

Burton Zinn:

In this particular era which is the greater person or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple method to have that. What you need to do is just spending your time little but quite enough to experience a look at some books. One of many books in the top record in your reading list will be Bottles, Preforms and Closures: A Design Guide for PET Packaging (Plastics Design Library). This book and that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking up and review this publication you can get many advantages.
